Unleashing Hell

Situation: Governments in the U.S. are framing mischief with laws. To date six states have passed certain laws. Diabolical education requirements are being foisted upon adults and children by laws signed by state governors. As I sat in prayer, a prophetic word was given me regarding the foregoing, saying, "The United States is slowly unleashing Hell." Immediately, I remembered the following from Psalm 9:17 "The wicked shall be turned into hell, and all the nations that forget God."
