Israel

I personally know of persons who very lightly esteem Israel and Jerusalem. There are countries, as we know, who hate Israel but they should be careful of their stance. Israel is the cradle of Judaism and Christianity, nowhere else and nothing else. Well, how watchfully does God view Israel and those who have fought against Jerusalem? Feature the following from the book of one of God's prophets, Zechariah. In chapter 14, verse 12 of that book we read the following:

"And this shall be the plague wherewith the Lord will smite all the people that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth."
